Office of Public Art : Project Manager

2011 – 2017  Pittsburgh, PA

- Managed free online portfolio database for artists, *Pittsburgh Artist Registry*. Directed redesign of the site in 2012 by hosting focus groups and project managing back end developers.
- Assisted in RFQ/RFP authorship, artist selection, and project management for a variety of public art projects with clients such as the City of Asylum, Pittsburgh Downtown Partnership, Neighborhood Allies, Carnegie Library of Pittsburgh, The Westmoreland Museum of American Art, the City of Pittsburgh, and more.
- Project management of Allegheny County Airport Authority and the Pittsburgh International Airport Art in the Airport Program. Developed Art in the Airport Performing Arts series and secured initial funding.
- Provided assistance to the City of Pittsburgh Public Art Manager on a contract basis.
